Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

### *Article XII*

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

CHICAGO, April 24, 1969.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, having under consideration Bills pending in the General Assembly of the State of Illinois which affect the City of Chicago, begs leave to make the following recommendations:

A.

That the City Council approve and respectively petition the General Assembly of the State of Illinois to enact into law—

|---|---|
| HOUSE BILL 241 | Amends Municipal Code to empower municipalities to determine the need of space for recreational facilities where multi-unit apartments are to be constructed and to require such facilities when the need exists. |
| HOUSE BILL 461 | Amends Illinois Municipal Code. Provides that conviction of one misdemeanor shall not disqualify an applicant from taking a qualifying exam or being appointed to a place in the classified service or in the police or fire department. Prohibits civil service commission or board of fire and police commissioners from adopting any rule to the contrary. |

| | |
|---|---|
| House Bill 410 | Creates Fair Housing Act. Prohibits discrimination in the sale, leasing, renting, listing or financing of real property. Defines unfair housing practice and specifies procedures for filing complaints and correcting unfair practices. Specifies the powers and duties of the Commission on Human Relations in administering the Act. Provides for review of Commission orders under the Administrative Review Act. |
| House Bill 411 | Appropriates $30,000 to the Attorney General to enforce the Fair Housing Act. |
| House Bill 412 | Amends Act creating Commission on Human Relations. Grants Commission power and duty of administering Fair Housing Act, and eliminates Commission power and duty of investigating employment training and placement. |
| House Bill 413 | Appropriates $189,738 to Commission on Human Relations to enforce the Fair Housing Act. |

B.

That the City Council disapprove and respectively petition the General Assembly of the State of Illinois not to enact into law—

| | |
|---|---|
| Senate Bill 326 | Amends the Illinois Municipal Code. Provides that moneys received by the City of Chicago from its tax levy for General Assistance, and collections and recoveries by or in behalf of the City under the Public Aid Code, be paid into the Special Purposes Trust fund. Effective on effective date of Amendatory Act. |
| Senate Bill 790 | Amends Municipal Code. In Section providing for levy and collection of tax for corporate purposes, permits Chicago to levy at a rate of 1.88% in 1970 and thereafter, and to increase the rate to 1.98% after favorable referendum (but no more than a .05% increase may be submitted at one referendum), on proposition submitted at general election in November of even-numbered years. Adds to listing of taxes excluded from applicability of rate limitation those levied to pay annual rent payments to a Public Building Commission. Authorizes municipalities other than Chicago to accumulate a surplus for building purposes, which when added to outstanding indebtedness does not exceed 5% of total equalized, assessed value. |
| House Bill 1397 | Amends Election Code. Reduces signature requirements for petitions for ward and township committeemen to ½ of 1% of the primary electors of the party in ward or township. (Present requirement is 10% for ward committeemen and 5% for township committeemen.) |

| House Bill 1430 | Amends The Election Code. Permits primary electors to vote in whichever primary they wish regardless of prior primary voting. Eliminates reference to party affiliation but requires voter merely to request ballot of particular party. |
| House Bill 1487 | Amends the Municipal Code. Authorizes municipalities to adopt ordinances which would allow firemen and policemen to reside outside the corporate limits of the municipality. |

Bluhm, Plaintiff-Appellant, vs City of Chicago, et al, Defendants-Appellees, Illinois Appellate Court No. 52410.* Appeal from Circuit Court of Cook County which sustained City's denial of application for change of Zoning Classification from M1-1 to R-4 to permit construction of Apartment building in conformity with R-4 Zoning Classification. The Trial Court held that the M1-1 zoning classification bears a reasonable relationship to the public health, safety and welfare and that the ordinance was constitutionally sound in its application to property in question. Judgment of lower Court hereby is Affirmed.

*Agatha Nugent, Plaintiff-Appellant, vs City of Chicago, Defendant-Appellee No. 52709.* This was an action brought for personal injuries suffered in a tripping accident caused by defective sidewalk. Evidence was heard and the jury found the defendant City of Chicago Not Guilty and Judgment was entered on the verdict. Plaintiff's appeal claimed the trial Judge should have found for plaintiff as a matter of law and not have allowed the case to go to the jury. The Appellate Court however ruled that factual issues had been raised by the evidence which only the jury could resolve. Judgment Affirmed.

*American National Bank and Trust Company, etc. Plaintiff-Appellee vs City of Chicago, Defendant-Illinois Appellate Court No. 52269.* On April 24, 1969 the Appellate Court of Illinois reversed the Judgment of the Circuit Court of Cook County, Illinois which had held the Chicago Zoning Ordinance unconstitutional as applied to the subject property located at Nos. 5253-5265 S. Cicero Avenue, Chicago, Illinois. The property herein was zoned B4-1 Restricted Service District and plaintiff's sought to rezone said property to B4-2 Restricted Service District. This request was denied by City. Subsequently the City filed its answer in Circuit Court moving to strike and dismiss Plaintiff's Complaint on the basis that the plaintiff had not first exhausted its available local remedies. Judgment of Circuit Court Reversed.

The Committee on Finance submitted a report recommending that the City Council adopt the following proposed resolution as amended, transmitted therewith (referred to the committee on April 9, 1969):

WHEREAS, American Armed Forces have been engaged for four years in vast and deadly combat in the Southeastern Asia Nation of Viet Nam, and have distinguished themselves for their valor despite vague expressions of national purpose and objectives in that war; and

WHEREAS, Combat deaths for American forces now exceed 38,000, far above the death toll in the Korean War, and the Nation continues to spend $100,000,000 per day to finance what has come to be regarded as "the hopeless war"; and

WHEREAS, The Americanization of the war in Viet Nam—never intended in our original intervention—has reached the point where it brings an intolerable financial and personal burden to all Americans; and

WHEREAS, There is a rising clamor throughout the Nation for a cessation of the hostilities in Viet Nam, or, at the very least, a cessation of American military involvement there; and

WHEREAS, The death toll in the United States Military Forces began to rise recently when American military commanders intensified search-and-destroy and pacification missions in the wake of the bombing halt; and

WHEREAS, It is apparent that there is no end to the war in Viet Nam under present conditions without drastic changes in American policies; now, therefore,

*Be It Resolved,* That the Chicago City Council hereby memorializes the administration of President Richard M. Nixon to take all extraordinary measures to de-escalate the war in Viet Nam, quickly and drastically reduce the American involvement; and

*Be It Further Resolved,* That the Chicago City Council does hereby memorialize the administration of President Richard M. Nixon, as Commander in Chief of the United States Armed Forces, to immediately direct an orderly and sizeable withdrawal of major forces in Viet Nam; and

The foregoing shall not preclude City or its concessionaires from making and collecting a charge for the use of public automobile parking areas, sightseeing facilities or ground transportation to or from the Airport furnished by City or its concessionaires, or preclude City from imposing any tax, permit or license fee not inconsistent with the rights and privileges granted to Airline hereunder.

*Section 1.04. Conduct of operations for other Airlines Parties.* The demised premises may also be used by Airline from time to time on behalf of or in conjunction with any other Airline Party or Parties in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use the demised premises in its own behalf in connection with its conduct of air transportation, and in such case the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and invitees, and its or their suppliers of materials and furnishers of service shall, to the same extent, be granted to such other Airline Party's or Parties' employees, agents, passengers, guests, patrons and invitees, and its or their suppliers of materials and furnishers of service; provided, however, no such use shall be permitted, without the consent of the Commissioner of Aviation, if such use involves payment to Airline by any such other Airline Party of an amount greater than Airline's estimated expenses with respect to the space, facilities and services used by or furnished to such other Airline Party.

Airline shall not sublease any part or parcel of the demised premises or permit the use or occupancy of any part or parcel of the demised premises (except by other "Airport use agreement parties" as set forth herein) except upon the prior written approval of, and subject to such other terms and conditions as may be imposed by the Commissioner of Aviation and the City Council, in each instance.

### *Article II*

The term of this lease shall be for a period commencing on the 60th calendar day after ................., the date of approval of ordinance by the City Council of the City of Chicago and terminating on December 31, 1974. Airline shall have the option to extend the term of this agreement for a period terminating on December 31, 1979, upon the same terms and conditions in effect as of December 31, 1974, provided only that Airport is not at that time operating at a deficit as determined in accordance with sound accounting practices by the City Comptroller and further provided such option is exercised by written notice from Airline to City at any time prior to three (3) months before the date of original expiration of this Agreement.

### *Article III*

Airline shall, on or before the first day of each calendar month during the term hereof, pay to City, at the office of the City Comptroller of City, a monthly rental of fourteen thousand five hundred eighty-three and 34/100 dollars ($14,583.34). Payment of rent shall commence sixty (60) days after the date of approval of ordinance by the City Council of the City of Chicago.

Notwithstanding the foregoing, if any rental commences otherwise than as of the first day of any month or terminates prior to the last day of any month, rental for such month shall be determined on a pro rata basis according to the number of days of such month involved, and any required payment or refund for such month shall be made as promptly as practicable.

Airline shall pay, in addition to the rents above specified, all water rates, taxes and assessments, general and special, lawfully levied or assessed upon the demised premises, or any part thereof, or upon any buidings or improvements at any time situated thereon, or lawfully levied or assessed upon the leasehold interest created hereby, during the term of this lease.

### *Article IV*

*Section 4.01. Construction, maintenance and repair by Airline.* Airline may construct or install on the demised premises, at its own expense, any buildings, improvements (including pavements), facilities and equipment, and any additions thereto, reasonably necessary or convenient in connection with any use, permitted under the provisions of this Lease, by Airline of the demised premises. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Airline shall keep and maintain all buildings, improvements and facilities and additions thereto constructed or installed by it on the demised premises in good condition and repair, reasonable wear and tear excepted. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with any construction, installation, alteration, repair or maintenance of any such buildings, improvements, facilities and additions.

Notwithstanding the foregoing, Airline shall keep the demised premises and all construction and installations made thereon by Airline in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

All construction or installation by Airline, pursuant to any right granted to it hereunder, which is made on any area outside the demised premises shall be made, kept and maintained by Airline in the same manner and under the same conditions as construction or installation by Airline on the demised premises.

*Section 4.02. Lighting.* Airline shall illuminate the apron in front of each hangar building on the demised premises with flood lights and shall place and maintain at all times red obstruction lights on the highest point and on each corner of each building on the demised premises and on the highest point of each smoke stack, pole, aerial and antenna on the demised premises. The obstruction light fixtures shall be of a dual type and the lights shall be kept burning at Airline's expense from dusk to dawn and during periods of restricted visibility.

*Secton 4.03. Covenant against liens.* Airline shall keep the demised premises and the buildings, improvements and facilities constructed thereon by Airline free and clear of any and all liens in any way arising out of the construction, improvement or use thereof by Airline, provided, however, that Airline may in good faith contest the validity of any lien.

*Section 4.04. Performance by City upon failure of Airline to maintain.* In the event Airline fails to perform for a period of thirty (30) days after notice from the City so to do, any obligation required by this Article IV to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

*Section 4.05. Rehabilitation of Facilities.* As additional consideration, Airline agrees that it shall promptly undertake, at its own expense, those capital improvements and repairs needed to rehabilitate the demised premises. Such rehabilitation program shall include those improvements and repairs that Airline and City Representatives agree are reasonably necessary to restore the demised premises to a good overall operating level.

*Section 4.06. Access by City.* Airline shall allow City, its officers, agents or employees, free access to the demised premises for the purpose of examining the same to ascertain if Airline is performing its obligations hereunder with respect thereto.

*Section 4.07. Equal Opportunity.* Airline agrees that in performing under this agreement and other agreements with City it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Airline further agrees that this article will be incorporated by Airline in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing, skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sum.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. To demonstrate compliance Airline and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

### *Article V*

*Section 5.01. Maintenance and Operation.* City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport and keep in good condition and repair (including the removal of snow, vegetation, stones and other foreign matter as reasonably as may be done) all facilities and equipment now or hereafter provided by City, at or in connection with or serving the demised premises.

*Section 5.02. Quiet Enjoyment.* City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the quiet possession and enjoyment of the premises, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

*Section 5.03. Performance by Airline upon failure of City to maintain and operate.* In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required to be performed by City, Airline may perform such obligation of City and deduct the cost to Airline of such performance from any amounts due hereunder or otherwise from Airline to City; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and deduct, as aforesaid, its cost of such performance. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation by it of the Airport or any facilities now or hereafter connected therewith.

### *Article VI*

Airline agrees to indemnify City and keep in force insurance insuring Airline and City as provided in Article X of the Airport Use Agreement.

Airline shall, at its own expense, keep in force insurance upon buildings and improvements which are of a character customarily insured and which are at any time located on the demised premises or constructed or installed by Airline, pursuant to any right granted to it hereunder, on any area off the demised premises. Such insurance shall (a) be issued by a company or companies of sound and adequate financial responsibility, (b) name City and Airline as assureds thereunder as their respective interests may appear, (c) be in an amount equal to ninety percent (90%) of the insurable value of such buildings and improvements, and (d) cover such hazards as are insured against by fire and extended coverage insurance of the character customarily in force at the time in the area of Chicago, Illinois, upon buildings and improvements of similar character, and such other hazards as would normally be insured against under similar circumstances by a reasonably prudent owner of such buildings and improvements. Airline shall furnish to City certificates evidencing such insurance.

Should any building or improvement located on the demised premises or constructed or installed by Airline, pursuant to any right granted to it hereunder, on any area off the demised premises, be damaged or destroyed and any insurance proceeds are payable by reason thereof, Airline shall, with due diligence, use such insurance proceeds for the repair of such damage or destruction in conformity, insofar as practicable, with the original plans and specifications of such damaged or destroyed building or improvement, subject to any modifications of such plans and specifications agreed to by the Commissioner of Aviation and the Commissioner of Public Works and Airline, it being understood, however, that Airline shall not be required to expend for such repair an amount in excess of such insurance proceeds paid. In the event the damage or destruction is not capable of being repaired within 120 days after the date thereof, either because of insufficiency of such insurance proceeds or otherwise, Airline may, by notice to City given within 60 days after such damage or destruction, elect not to repair the same and in such event, Airline shall cause such building or improvement to be demolished to the ground level and the debris removed, using any insurance proceeds for such purpose. Any insurance proceeds shall be made available to Airline for such repair or such demolition and removal. Any balance of such insurance proceeds, remaining after such repair or demolition and removal, shall be divided between City and Airline, and shall be made availabe to them, as their respective interests may appear. In the event Airline shall, in accordance with the foregoing provisions, give notice to City of Airline's election not to repair any damage or destruction not capable of being repaired as aforesaid, then Airline may be at the same time and by further notice to City elect to terminate this Lease on the date of giving of such notice, which termination, however, shall not affect the rights and obligations of City and Airline under this paragraph.

### *Article II*

The term of this Lease shall be for a period commencing on ...................................., which date shall not be later than 60 calendar days after the date of approval of ordinance by the City Council of the City of Chicago and terminating on December 31, 1974. Airline shall have the option to extend the term of this Agreement for a period terminating on December 31, 1979, upon the same terms and conditions in effect as of December 31, 1974, provided only that Airport is not at that time operating at a deficit as determined in accordance with sound accounting practices by the City Comptroller and further provided such option is exercised by written notice from Airline to City at any time prior to three (3) months before the date of expiration of this Agreement.

### *Article III*

Airline shall, on or before the first day of each calendar month during the term hereof, pay to City, at the office of the City Comptroller of City, a monthly rental of seven thousand one hundred and no/100 dollars ($7,100.00). Payment of rent shall begin on the same calendar day that the term of this Lease commences.

Notwithstanding the foregoing, if any rental commences otherwise than as of the first day of any month or terminates prior to the last day of any month, rental for such month shall be determined on a pro rata basis according to the number of days of such month involved, and any required payment or refund for such month shall be made as promptly as practicable.

Airline shall pay, in addition to the rents above specified, all water rates, taxes and assessments, general and special, lawfully levied or assessed upon the demised premises, or any part thereof, or upon any buildings or improvements at any time situated thereon, or lawfully levied or assessed upon the leasehold interest created hereby, during the term of this lease.

### *Article IV*

*Section 4.01. Construction, maintenance and repair by Airline.* Airline may construct or install on the demised premises, at its own expense, any buildings, improvements (including pavements), facilities and equipment, and any additions thereto, reasonably necessary or convenient in connection with any use, permitted under the provisions of this Lease, by Airline of the demised premises. All such construction or installation shall be made after obtaining any requisite buildings or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including any substantial alteration or addition thereto) shall be submitted to and receive the Approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Airline shall keep and maintain all buildings, improvements and facilities and additions thereto constructed or installed by it on the demised premises in good condition and repair, reasonable wear and tear excepted. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with any construction, installation, alteration, repair of maintenance of any such buildings, improvements, facilities and additions.

Notwithstanding the foregoing, Airline shall keep the demised premises and all construction and installations made thereon by Airline in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

All construction or installation by Airline, pursuant to any right granted to it hereunder, which is made on any area outside the demised premises shall be made, kept and maintained by Airline in the same manner and under same conditions as construction or installation by Airline on the demised premises.

*Section 4.02. *Section 4.03. Covenant against liens.* Airline shall keep the demised premises and the buildings, improvements and facilities constructed thereon by Airline free and clear of any and all liens in any way arising out of the construction, improvement or use thereof by Airline, provided, however, that Airline may in good faith contest the validity of any lien.

*Section 4.04. Performance by City upon failure of Airline to maintain.* In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by this Article IV to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

*Section 4.05. Rehabilitation of Facilities.* As additional consideration, Airline agrees that it shall promptly undertake, at its own expense, those capital improvements and repairs needed to rehabilitate the demised premises. Such rehabilitation program shall include those improvements and repairs that Airline and City Representatives agree are reasonably necessary to restore the demised premises to a good overall operating level.

*Section 4.06. Access by City.* Airline shall allow City, its officers, agents or employees, free access to the demised premises for the purpose of examining the same to ascertain if Airline is performing its obligations hereunder with respect thereto.

*Section 4.07. Airline further agrees that this article will be incorporated by Airline in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. *Section 5.03. Performance by Airline upon failure of City to maintain and operate.* In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required to be performed by City, Airline may perform such obligation of City and deduct the cost to Airline of such performance from any amounts due hereunder or otherwise from Airline to City; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and deduct, as aforesaid, its cost of such performance. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation by it of the Airport or any facilities now or hereafter connected therewith.

### *Article VI*

Airline agrees to indemnify City and keep in force insurance insuring Airline and City as provided in Article X of the Airport Use Agreement.

Airline shall, at its own expense, keep in force insurance upon buildings and improvements which are of a character customarily insured and which are at any time located on the demised premises or constructed or installed by Airline, pursuant to any right granted to it hereunder, on any area off the demised premises. Airline shall furnish to City certificates evidencing such insurance.

Should any building or improvement located on the demised premises or constructed or installed by Airline, pursuant to any right granted to it hereunder, on any area off the demised premises, be damaged or destroyed and any insurance proceeds are payable by reason thereof, Airline shall, with due diligence, use such insurance proceeds for the repair of such damage or destruction in conformity, insofar as practicable, with the original plans and specifications of such damaged or destroyed building or improvement, subject to any modifications of such plans and specifications agreed to by the Commissioner of Aviation and the Commissioner of Public Works and Airline, it being understood, however, that Airline shall not be required to expend for such repair an amount in excess of such insurance proceeds paid. In the event the damage or destruction is not capable of being repaired within 120 days after the date thereof, either because of insufficiency of such insurance proceeds or otherwise, Airline may, by notice to City given within 60 days after such damage or destruction, elect not to repair the same and in such event, Airline shall cause such building or improvement to be demolished to the ground level and the debris removed, using any insurance proceeds for such purpose. Any insurance proceeds shall be made available to Airline for such repair or such demolition and removal. Any balance of such insurance proceeds, remaining after such repair or demolition and removal, shall be divided between City and Airline, and shall be made available to them, as their respective interests may appear. In the event Airline shall, in accordance with the foregoing provisions, give notice to City of Airline's election not to repair any damage or destruction not capable of being repaired as aforesaid, then Airline may at the same time and by further notice to City elect to terminate this Lease on the date of giving of such notice, which termination, however, shall not affect the rights and obligations of City and Airline under this paragraph.

### *Article X*

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands, whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action or forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorneys fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

### *Article XII*

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

### *Article XIII*

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

### *Article XIV*

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

### *Article XV*

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

### *Article XVI*

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all monies due hereunder, which lien may be foreclosed in equity and in case of such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

WHEREAS, John J. Kelly's forty-two year career in the City Comptroller's Office began May 3, 1927 as a field inspection clerk. His thorough knowledge of city finances, his dedication to public service and his cheerful spirit over the years earned for him a succession of promotions which carried him to the position of Assistant Comptroller which he held at his death; and

WHEREAS, John Kelly was Past Grand Knight of the Leo XIII Council of the Knights of Columbus, Treasurer of the Municipal Employees' Society and Credit Union and an accomplished Toastmaster known for his natural wit and pleasant disposition; and

WHEREAS, John Kelly was ever mindful of his position of public trust, dedicated to his important role in the City's financial problems, and an inspiration to all whose duties brought them in contact with his cheerful disposition; now, therefore,

*Be It Resolved,* That the Mayor and the City Council of the City of Chicago hereby express their sorrow in the passing of John J. Kelly, and extend their heartfelt sympathy to his bereaved family; and

WHEREAS, Clarence Rowland or, as he preferred to be called, "Pants" Rowland, became a part of Chicago baseball in 1914 when Charles Comiskey made him manager of the White Sox; the combination worked, with the Sox taking third place in the league in 1915, second in 1916 and winning both the pennant and the World Series in 1917—the last Series won by a Chicago team; and

WHEREAS, Clarence Rowland's career included managing teams in Columbus, Ohio, and Nashville, Tennessee, and umpiring in the American League; he scouted for the Chicago Cubs from 1933 until 1941, headed the Cubs' Los Angeles team, and served as president of the Pacific Coast League; he returned to the Cubs in 1955 and held various executive positions; and

WHEREAS, Although Clarence Rowland never doubted that "the 1917 Sox were the greatest of all time," his love for baseball was revived with the opening of every new season, and the appearance of every talented new player; it was fitting, then, that the Old Timers' Baseball Association should give him its Grand Old Man of Baseball Award, in 1968; now, therefore,

*Be It Resolved,* That the Mayor and members of the City Council in meeting assembled this 28th day of May, A. D. 1969, do hereby acknowledge their sorrow and regret at the passing of Clarence "Pants" Rowland, and salute his memory for a long life lived fully and well; and

### CALL FOR MEETING READ.

John C. Marcin, City Clerk, thereupon informed the City Council that the following call for the meeting was filed in his office on June 3, 1969:

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 3, 1969.

*Honorable John C. Marcin,*
*City Clerk,*
*Room 107, City Hall,*
*Chicago, Illinois.*

DEAR MR. MARCIN—I have called a special meeting of the City Council for the purpose of paying honor to the life and memory of our beloved colleague and friend Honorable Otto F. Janousek, Alderman of the 22nd Ward. The meeting is to be held on Thursday, June 5, 1969, at 2:00 P.M. in the Council Chamber in the City Hall.

Very truly yours,

(Signed) RICHARD J. DALEY,
*Mayor.*

### Resolution Adopted on Death of Otto F. Janousek, Alderman of the 22nd Ward.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Wisdom, has taken from our midst our beloved colleague Otto F. Janousek, Alderman of the 22nd Ward; and

WHEREAS, Alderman Janousek was a giant of a man and a giant among men, and the standards by which he is measured are equally exceptional; it is thus significant that his term of service in this Council, with one exception, was longer than any other; a measure of the great esteem in which he was held were the extraordinary majorities with which his constituents in the 22nd Ward returned him to office; and

WHEREAS, Alderman Janousek was truly a representative of the 22nd Ward, living in the same neighborhood all his life, giving constant support to local organizations, devoting long hours to the solution of community problems; in a sense, all the people of the 22nd Ward were his family; and

Whereas, Alderman Janousek came from humble beginnings, the son of an immigrant tailor; he worked as a cabdriver, chauffeur, court bailiff, and accountant for the fire department; his lifetime was typical of those men whose diligence and competence have moved them to the forefront in responsibility and respect; and

Whereas, Alderman Janousek's loyalty, personal integrity, and quiet strength, were qualities that gave assurance to all who knew him, and thus he was able, by his mere presence, to lend dignity and authority to any proceeding in which he took part; and

Whereas, Alderman Janousek's many years of service gave him a perspective and an insight into the workings of a great city that were of great value to Chicago and, particularly, to this Council; avoiding flamboyance, he shared his wealth of experience and common sense in his own modest way and, as a result, contributed much to the success of our continuing experiment in representative government; and

Whereas, Alderman Janousek, in more than a quarter century of service in this Council and to the City, and in the daily personal association with his colleagues, in conscientious attention to his duties, and in the deep concern for the well-being of the city he loved, won the universal respect and affection of friends, neighbors, and associates who relied so heavily on his concern and compassion and who now mourn his departure; now, therefore,

*Be It Resolved,* That the Mayor and members of the City Council of the City of Chicago, assembled in special session this 5th day of June, A.D. 1969, do hereby express publicly their great sorrow at the passing of their colleague and friend, Otto F. Janousek, a distinguished public servant, and do acknowledge with regret the void that his passing leaves in their united efforts for a richer, fuller life in this community and, more personally, in the warm and affectionate relationship that has continued between them for twenty-six years; and

*Be It Further Resolved,* That a suitable copy of this memorial resolution be presented to Alderman Janousek's sister, Mrs. Frank Kral.

Committee consideration was dispensed with by unanimous consent, and on motion of Alderman Keane the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

In addressing the City Council, Alderman Keane spoke of the transitory times in which we all live; all are assigned tasks to perform and that Alderman Janousek had accepted his tasks in a serious manner and acted upon them to the best of his ability. He told of how the late alderman was everyone's friend; that he considered what was good for the City was also good for his Ward; he mentioned his outstanding record in the field of public relations and that he was a staunch defendant of the rights of all people; how he had worked for betterments and improvements not only for the 22nd Ward but for the entire City; he also spoke of his love for people, but especially his love for children. In conclusion Alderman Keane spoke of how very much Alderman Janousek would be missed by his colleagues and extended his condolences to the bereaved family and to the residents of the 22nd Ward.

In seconding the foregoing resolution Aldermen Sain, Buchanan, Hoellen, Wigoda, Fitzpatrick, Bohling, Frost, Kuta, Marzullo, Holman, Metcalfe, Simon, Sperling, Burke, Lupo, Collins, Fifielski and Rayner, all spoke of the late Alderman's outstanding virtues. They cited his love of sports, particularly baseball and football. He was cited for having led a good life and of his enjoyment, not only of sports affairs, but that he also loved the theatre, the arts and literature. They spoke of his outstanding service to his Ward in his capacity as an Alderman and a Committeeman. It was noted that he never delegated his "errands", that he tirelessly went from office to office in his efforts to solve problems and help his friends, as that was the way he regarded his constituents. All remarked about his large stature, not only in size, but also of the largeness of his heart. Several of the aldermen mentioned how helpful he had been in assisting them as novices in the City Council; they spoke of his patience, his consideration and his modesty. It was suggested that as a tribute to the alderman's memory, an attempt should be made to emulate his many wonderful traits, not the least of which was his courtesy to his colleagues, and his courage. While it was noted that Alderman Janousek was seventy years of age, he had truly been "young at heart". All admired him as a decent, hard working man. Each of the seconding Aldermen extended their sympathy to the late Alderman's sister and the other members of the family.

Honorable Richard J. Daley, Mayor, addressed the Council stating that he had indeed lost a fine friend, that above all he would characterize him as being a "man for all seasons". He stated that he wished to publicly thank him for all the assistance he had rendered, and for his great loyalty. He spoke of his pride in his position and in his City, mentioning that he had been a good neighbor, not only to his Ward but to all the citizens of Chicago. He also said that perhaps Alderman Janousek would not be considered a great orator, but that his actions and deeds would stand "tall" when the history of Chicago is written. The Mayor also spoke of the vision Alderman Janousek had as Chairman of the Committee on Port of Chicago, Wharves and Bridges. He had been intensely interested in the growth of the Calumet Harbor area and Navy Pier. The Mayor told how the Alderman had great plans for Navy Pier as a recreational area for all the citizens of Chicago.

The Mayor thereupon called the Council's attention to the presence at the meeting of Mr. and Mrs. Frank Kral, sister and brother-in-law, Mr. Otto Kral, nephew, with his wife, and dear friends, Commissioner Lillian Piotrowski and Judge Eugene L. Wachowski.

### *Referred*—PROPOSED ORDINANCE TO EXTEND TIME FOR COMPLIANCE WITH BUILDING REGULATIONS GOVERNING USE OF BELOW-GRADE CLASSROOMS.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Buildings and Zoning:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

*To the Honorable, The City Council of the City of Chicago:*

GENTLEMEN—I am herewith transmitting an ordinance to extend the time during which certain type school classrooms may be utilized from September 16, 1969 to and including September 15, 1970.

The continuing demand for classroom space in many of our existing schools necessitates the extended authorization to use below-grade classrooms until such time as they can be replaced by new construction.

Very truly yours,
(Signed) RICHARD J. DALEY,
*Mayor.*

### Time Extended for Compliance with Provisions of Section 17-25(3)(a) of Municipal Code Governing Prohibited Sale of Specified Type of Coal.

Honorable Richard J. Daley, Mayor, submitted the following communications:

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 23, 1969.

*To the Honorable, The Members of the City Council of the City of Chicago:*

GENTLEMEN—I am transmitting for your consideration, an ordinance to amend Section 17-25 (3)(a) of the Municipal Code of Chicago. The section was originally enacted on June 19, 1968 (C.J. p. 3131), and prohibited the sale of coal having a sulfur dioxide content of more than 2.5%, beginning one year after the effective date of the ordinance.

Investigation discloses that at the present time there is an inadequate supply of coal having a sulfur dioxide content of 2.5% or less and, therefore, it would be inexpedient to enforce the provisions of Section 17-25(3)(a) at this time.

The proposed ordinance provides that the provisions of the original ordinance shall not be enforced until two years, rather than one year, after its effective date.

Your favorable consideration of this proposed ordinance shall be appreciated.

Very truly yours,
(Signed) RICHARD J. DALEY,
*Mayor.*

Alderman Keane moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed ordinance transmitted with the Mayor's communication.

After debate, Alderman Singer moved to Refer the proposed ordinance to the Committee on Health.

Alderman Keane moved to *Lay the Motion to Refer on the Table.* The motion to Lay on the Table *Prevailed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Metcalfe, Holman, Lupo, Bilandic, Burke, Krska, Sheridan, Shannon, Hines, Fitzpatrick, Campbell, Frost, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Gabinski, Brandt, Sande, Laskowski, Aiello, Casey, Cullerton, Laurino, Fifielski, Kerwin, Wigoda—31.

*Nays*—Aldermen Hubbard, Despres, Rayner, Bohling, Cousins, Buchanan, Staszcuk, Simon, Scholl McCutcheon, Singer, Hoellen, O'Rourke, Sperling—14.

The main question thereupon being put, on the passage of the pending proposed ordinance, the motion *Prevailed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Buchanan, Bilandic, Burke, Krska, Sheridan, Shannon, Hines, Fitzpatrick, Campbell, Frost, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Gabinski, Brandt, Sande, Laskowski, Aiello, Casey, Cullerton, Laurino, Fifielski, Kerwin, Wigoda—33.

*Nays*—Aldermen Despres, Rayner, Bohling, Cousins, Staszcuk, Simon, Scholl, McCutcheon, Singer, Hoellen, O'Rourke, Sperling—12.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Subparagraph (3)(a) of Section 17-25 of the Municipal Code of Chicago, as amended by the City Council on June 19, 1968 (C.J. p. 3131), is hereby amended to read as follows:

"(3) Sulfur Dioxide Limitation

(a) No person shall cause or permit the use, or, if intended for use in the City of Chicago, the purchase, sale, offer for sale, storage or transportation, of fuel which, as determined by the methods of the American Society for Testing and Materials, contains more than the following percentages of sulfur by weight:

Hughes, Assistant Corporation Counsel and Marvin E. Aspen, Head of Appeals and Review Division, transmitting the following decisions, which were *Placed on File:*

*Joseph I. Brown, Jr. et al., Plaintiffs-Appellants vs The City of Chicago, et al, Defendants-Appellees, Illinois Supreme Court No. 41550.* This was an Injunction suit brought to restrain enforcement of Chicago's Gun Registration Ordinance on grounds of unconstitutionality. The strongest point urged by the Plaintiff was that the State had withdrawn from the City the power to legislate on the subject of firearms control by virtue of the State Statute of 1967. The Court held that there is no inconsistency between the Chicago Gun Registration Ordinance and the Illinois Gun Owners' Registration Statute. Decree of Circuit Court is hereby affirmed.

*L. C. Shelton et al., Appellees vs The City of Chicago et al., Appellants., Illinois Supreme Court No. 41336.* This was an action brought for personal injuries incurred during disorders of July 1966. The action was predicated on Section 25-3 of the Criminal Code and Section 1-4-8 of the Illinois Municipal Code. The Circuit Court of Cook County denied the motion of the City for a dismissal of the cause based on the repeal by the General Assembly of those Sections alleged by the Plaintiffs as their only available cause of action even though retroactively applied as in the present cause. The order of the Circuit Court overruling the motion to dismiss is reversed and remanded to that Court with directions to dismiss the complaints.

*City of Chicago, Appellee vs Richard Lawrence, et al., Appellants, Illinois Supreme Court No. 41216.* Defendants were charged and found guilty of "Interfering with a police officer in the performance of his duty" and the Circuit Court found the defendants in violation of Section 11-33 of the Municipal Code of Chicago. The Supreme Court of Illinois ruled that Section 11-33 of the Code was not unconstitutionally vague and indefinite as alleged by plaintiffs nor were the closing words of the prosecuting attorney prejudicially sufficient to disturb the verdict. Judgment of Circuit Court affirmed.

*City of Chicago, Petitioner vs Exchange National Bank of Chicago, etc., et al., Defendants. Condemnation No. 68 L 17660, Kedzie Avenue Bridge.* Condemnation Proceedings were instituted by the City of Chicago for the acquisition of a certain parcel of property needed for the construction of a bridge over S. Kedzie Avenue. At a pre-trial conference the owner agreed to entry of judgment in the amount of $20,000.00 representing the value of the part taken and damages to the remainder.

*Phillip Algozino, Plaintiff-Appellee vs Police Board of the City of Chicago, Illinois and James B. Conlisk, Jr., Superintendent of Police of the City of Chicago and O. W. Wilson, Defendants-Appellants.* This being an administrative review action wherein the Circuit Court had modified and reversed the finding of the Police Board of the City of Chicago discharging plaintiff from his job as Patrolman. Since the plaintiff filed no brief in this cause the Appellate Court reversed the trial Court without giving consideration of the cause on its merits.

### *Proposed Ordinance for Non-exclusive Franchise Granting Teleprompter Corp. Permission to Operate Community Antenna Television within City of Chicago.*

WHEREAS, On the 15th day of November, 1967, the City Council of the City of Chicago adopted an ordinance authorizing the issue of $5,500,000 Electric Lighting System Bonds of said City and providing for the levy of taxes to pay the same; and

WHEREAS, In and by Section 4 of said ordinance the City Comptroller was authorized to advertise for proposals for the purchase of said bonds and that the advertisement should provide that the bonds offered for sale shall bear interest not to exceed the rate set forth in the ordinance, and that the bonds so offered would be awarded by the City Comptroller to the purchaser offering to purchase the bonds at the lowest net interest cost to the City, provided that the acceptable bidded shall offer to pay not less than par and accrued interest for the bonds; and

WHEREAS, The ordinance authorizing the issuance of said bonds provided that the bonds bear interest at the maximum rate of five per cent (5%) per annum, which was the maximum rate of interest authorized for said bonds at the election held when a majority of the electors voting on the question approved such bonds; and

WHEREAS, Money market conditions throughout the United States have materially changed since such election was held, interest rates having increased upon all types of securities, even to the extent of affecting the millions of dollars of outstanding United States Government Bonds, and drastically decreasing the market value of millions of dollars of bonds of municipalities that have been voted bearing a fixed maximum rate of interest; and

WHEREAS, The City Comptroller has found that bids cannot be received for the sale of the bonds authorized by said ordinance and that the sale of said bonds at par at this time is impossible; and

WHEREAS, The City Comptroller proposes to give extensive publicity to the sale of said bonds in the Chicago Today, a newspaper published and having a general circulation in the City of Chicago, and in The Bond Buyer, a financial newspaper published in the City of New York, New York, so as to determine the market value of the bonds, and to accept the best bid for said bonds whether such bid is at par or at a discount; and

WHEREAS, The work is in progress for which said bonds were authorized and it is imperative that the bonds be sold from time to time in order to produce the funds necessary to carry on such work; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

(3) The Village agrees to install a flow control system at its meter vault on the existing connection to the City's water main at W. Irving Park Road and N. Harlem Avenue in order to regulate the flow of water as herein provided.

(3A) The existing emergency water service connection for the Village at W. Foster Avenue and N. Oconto Avenue will be cut off and removed by the City at the expense of the Village.

*Rates and Discounts*

(4) The Village shall pay to the City all charges for water furnished hereunder to supply consumers within the corporate limits of the Village, when due, at the rate fixed by the ordinance of the City of Chicago, now in force and effect or which may hereafter be amended for water furnished through meters in like large quantities to consumers within the corporate limits of the City.

(5) The Village shall pay to the City all charges for water furnished hereunder to supply consumers located outside the corporate limits of the Village, when due, at the rate of fifty per cent (50%) higher than the metered rate per thousand cubic feet of water fixed by the ordinance of the City of Chicago now in force and effect, or which may hereafter be amended for water furnished through meters in like large quantities to consumers within the corporate limits of the City.

(6) The Village shall be entitled to the same

discount or benefit allowed to metered consumers of the City, as provided by the ordinances of the City now in force and effect, or which may hereinafter be amended, if the Village pays its water bills within the time prescribed by ordinance.

(7) The City reserves the right at any time during the term of this contract to classify water consumers and to fix rates for each class of consumer; also to fix rates for water furnished to the Village, and other municipalities and persons or other water users for consumption outside the corporate limits of the City, higher than the rates fixed for water furnished to consumers of the same class for consumption within the corporate limits of the City, subject to such limitations as are then applicable by law.

*Period of Contract*

(8) This contract shall be in force and continue in effect for a period not longer than ten years from the date hereof unless sooner terminated as herein provided.

*Meters and Meter Equipment*

(9) The Village, at its own cost and expense, shall provide and install the meter vaults, the meters and meter equipment measuring and controlling the said supply of water, which vaults, meters and meter equipment shall be of such type, size and design as shall be satisfactory to and approved by the Commissioner of Water and Sewers of the City and shall be located in or near the City limits at a location to be approved by said Commissioner of Water and Sewers. The control valves shall be located within the City and such meters, meter equipment, meter vaults and valves shall at all times be under the control of the City, but the full and complete maintenance and protection of such meters, meter equipment and meter vaults shall be the obligation of the Village.

(10) The properly authorized officers, agents and representatives of the City shall at all times have free access to the meter or meters and all other facilities herein provided for, for the purpose of shutting off the water for failure to pay the water rates or charges in this agreement provided to be paid by the Village and for the purpose of reading the registrations of said meter or meters, and to examine, shut off and test the same to ascertain whether or not they are in good condition and repair and to make such repairs upon the same as may be necessary, the expense of any and all necessary repairs to be borne by the Village.

(11) If at any time the said meter or meters shall fail to register correctly the quantity of water furnished and taken hereunder, or shall fail to register and flow of water through said meter or meters, the unregistered, under-registered or over-registered amount of water furnished and taken shall be determined by taking an average of the twelve (12) preceding readings of such meter or meters exclusive of deficient or excessive readings. Where said meter or meters have been installed for a period of less than one (1) year, or where less than twelve (12) competent readings exist, such average or estimate may be based upon a lesser number than twelve (12) readings taken preceding or subsequent to such incorrect or stopped registrations. In both instances, the Commissioner of Water and Sewers of the City shall determine which are excessive or which are deficient readings and shall also determine the number of months upon which such estimate is to be based.

*Terms and Conditions of Service*

(12) The Village at its own cost and expense, shall provide, make and keep in repair all feeder mains, connections, meter vaults, receiving tank or tanks, booster or other pumps and slow-acting valves, or other appliances deemed necessary by the Commissioner of Water and Sewers of the City at the points of connection herein designated. If at any time the meter or meters or meter housing, which are also to be provided by the Village, shall prove unsatisfactory to said Commissioner of Water and Sewers, or be out of repair, they shall be replaced or repaired by the City, and the cost and expense of such replacements or repairs shall be charged to and paid by the Village.

(13) The Village shall provide, install, maintain and operate at its own cost and expense and at such locations as shall be designated by the Commissioner of Water and Sewers of the City, the following:

> A shut-off gate or gates, reservoir or reservoirs of sufficient capacity to store not less than the maximum day's supply of water; receiving tank or tanks, booster or other pumps, slow-acting valves and such other appliances or devices as may be required by said Commissioner of Water and Sewers for the purpose of increasing, decreasing, and otherwise, controlling the water supply furnished and taken hereunder, said equipment and appliances to be of such type, size and design as shall be satisfactory to and approved by said Commissioner of Water and Sewers, and the entire installation thereof shall be under the direction of and performed in a manner satisfactory to and approved by said Commissioner of Water and Sewers. The Village agrees to maintain and operate said reservoir or reservoirs of such capacity that water will be drawn from the City's mains at a substantial uniform rate of flow, as hereinafter provided during the period of this contract.

(14) The water supply furnished and taken hereunder shall be drawn by the Village at a substantial uniform rate of flow throughout twenty-four (24) hours of each day of the year.

It is hereby agreed that the Commissioner of Water and Sewers of the City and his authorized representatives shall have access to and the right to adjust and control valves and meters in order to limit the flow of water as herein provided and for the purpose of meeting any and all emergencies and necessitous requirements.

(15) The Village agrees to comply with any and all sanitary regulations of the City and the present and future rules, regulations and instructions of the Department of Water and Sewers of the City applicable to cross-connections and dual water supplies as are in force in the Chicago Water System. The Village further agrees that the duly authorized engineers and inspectors of the City, in collaboration with the representatives of the Village shall be allowed to make inspections and require tests for tightness of the piping of the water works installations, and of all plants or other buildings of water users within the territorial limits of the Village and the Village further agrees to make such changes in its piping and to eliminate such cross-connections or other connections as in the judgment of the Commissioner of Water and Sewers of the City are necessary. The failure, neglect or refusal on the part of the Village to make promptly and properly such changes in its piping, to maintain tightness or to eliminate undesirable connections upon notice in writing so to do from said Commissioner of Water and Sewers, shall furnish sufficient grounds for the City to shut off the water and discontinue

the service hereunder until changes and corrections in said piping or connections required by the City are made by the Village.

(16) The Village agrees to prevent excessive use and waste of water.

(17) The Village agrees to appropriate annually sufficient money or so much thereof, as may be necessary, to provide sufficient funds for the payment of the water furnished by the City hereunder. The Village further agrees that it will at all times charge its water consumers sufficient rates in order to provide adequate funds for the payment of water furnished it by the City.

(18) It is further agreed that the City may either in law or equity, by suit, mandamus or other proceedings, enforce or compel performance of any and all covenants herein contained.

(19) In order to safeguard its water supply received hereunder and the City's water supply, the Village hereby agrees to maintain a safe water supply throughout its system and to provide, maintain and operate at all times during the period of this contract, chlorinating equipment or other equally effective health protecting process equipment of such kind and capacity that a proper chlorine residual or similarly effective result may be carried throughout its water supply system. All proposed water works improvements, which must be approved by the Commissioner of Water and Sewers of the City, shall be disinfected in accordance with the requirements of the Department of Water and Sewers of the City; said water works improvements shall not be placed into service until approved as to sanitary quality.

(20) The City may adopt any protective or health measures it deems advisable or desirable for the benefit of its water consumers, such as the fluoridation of its water, in any manner that the Commissioner of Water and Sewers of the City shall see fit.

(21) The Village agrees to notify the Commissioner of Water and Sewers of the City as promptly as possible of all emergency and other conditions which may directly or indirectly affect the quality of the water received hereunder and the City's water supply and further agrees that the duly authorized Engineers and Inspectors of the City shall be allowed to make inspections and required tests of the quality of the water supply as received hereunder, as well as the quality of the water within the Village distribution system.

(22) The Village agrees not to resell or permit any water furnished hereunder to be used to supply any other municipality or any consumer of water located or residing outside the corporate limits of the Village, except if and when it should be specifically authorized so to do by the City Council of the City.

(23) The Village agrees to use City water exclusively during the period of this contract.

(24) The Village further agrees not to sell, lease or give any interest in or right or privilege to utilize its water supply main or mains to any other municipality or any consumer of water whose premises are located outside the corporate limits of the Village, and further agrees not to permit any connection to be made to its water supply main or mains, except to supply consumers within the corporate limits of the Village without first securing the consent in writing of the City Council of the City so to do.

(25) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the Village agrees to submit to the Commissioner of Water and Sewers of the City a report in writing showing in cubic feet or gallons the amount of water furnished the Village and the amount in quantity and charges billed by it to consumers during the preceding year and to furnish such other information regarding billing, collections and delinquencies as may be requested from time to time by said Commissioner of Water and Sewers.

(26) At the end of each billing period, but at least quarterly, the Village agrees to submit to the Commissioner of Water and Sewers of the City a complete list of all water consumers of the Village located or residing outside its corporate limits, showing name, location, character of occupancy, amount of water in cubic feet or gallons furnished, charges billed and payment to the City of Chicago at the higher rate.

(27) To secure prompt payment of the water bills, the City shall have the right at any time to require the Village to pay in advance a sum of money estimated by the Commissioner of Water and Sewers of the City to be equal to the cost of water required by the Village, for a period of ninety (90) days at the then prevailing metered rate, which said advance payment the Village hereby agrees to make upon demand.

(28) The City shall not be responsible in damages for any failure to supply water or for interruption of the water furnished hereunder. The Village agrees to save and keep harmless the City from all damage to real and personal property occasioned or caused by the making of the water connection or connections herein referred to or caused by the furnishing of water hereunder, and shall also keep and save harmless the City from all damage of any kind, nature and description which may arise as the result of the making of this agreement.

(29) The City reserves the right to its Commissioner of Water and Sewers to decide all questions arising as to the proper performance of this contract.

(30) In furtherance and not in limitation of this contract, it is mutually agreed that all rights of the City and the Village under the water supply contract No. 22075 dated August 17, 1960 by and between the City of Chicago and the Village of Harwood Heights and all rights of either party arising from the delivery of water prior to the date of the execution of this agreement are extinguished, except for the express reservation of the right of the City to obtain for, or to enforce collection of any unpaid water charges accruing prior to the date of execution of this agreement.

(31) If the Village shall refuse, neglect or fail to pay promptly the water bills rendered for the water supplied it hereunder within the time or times prescribed by the Ordinances of the City, or if the Village shall fail to comply with or perform any of the conditions or obligations on their part to be complied with or to be performed hereunder, and if after such failure the City shall deliver at the Village Hall of the Village addressed to the President and Board of Trustees of the Village a notice in writing of its intention to shut off the supply of water on account of such failure, refusal or neglect, then the City shall have the right to shut off the supply at the expiration of five (5) days after the giving of such notice, and to terminate this contract unless within such five (5) days the Village shall make good such failure. The shutting off of the supply of water for any such cause shall not release the Village from its obligation to

make payments of any amount or amounts due or to become due in accordance with the terms hereof.

(32) No assignment or transfer of this agreement shall be made by the Village.

(33) The Village hereby waives any defenses it may have by virtue of any governmental function it exercises in any action brought at law or equity under the terms of this contract.

(34) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions or to bind the City by making any promise or representation not contained herein.

(35) This agreement is subject to cancellation by the City of Chicago in the event the Supreme Court of the United States of America or any other court of competent jurisdiction decrees that the City has no right to contract for, sell, disperse, distribute or limits the amount of water the City may use for domestic pumpage or otherwise places a burden on the City in connection with the withdrawal of water from Lake Michigan, or otherwise dispose of water from Lake Michigan, to any municipality or user residing outside of the limits of the City of Chicago.

(36) The authority of the officials of the City to execute this agreement is evidenced by the authority of the City Council of the City of Chicago given on the ........................ day of ........................... A.D. 19......, and published in the Journal of Proceedings of the City Council for said date on pages ........................... thereof.

(37) The authority of the officials of the Village of Harwood Heights, Illinois, to execute this agreement is evidenced by the resolution passed by the President and Board of Trustees of the Village of Harwood Heights, Illinois, at a regular meeting of said President and Board of Trustees duly held on the ........................... day of ........................... A.D. 19.......

In Witness Whereof, the City of Chicago has caused this agreement to be signed in quintuple originals (each signed copy constituting an original) by its Commissioner of Water and Sewers, counter-signed by its Comptroller, approved by its Mayor, and its corporate seal to be hereto affixed and duly attested by its Clerk, and the Village of Harwood Heights has caused the same to be signed in quintuple originals (each signed copy constituting an original) by its President of the Board of Trustees and its corporate seal to be hereto affixed, duly attested by its Clerk on the day and year first above written.

### Request to International Harvester Co. to Reconsider Decision to Relocate and to Remain a Corporate Citizen of City of Chicago.

Also a proposed resolution reading as follows:

> WHEREAS, The International Harvester Company, Incorporated, to do business in 1918, soon became a major producer of motor trucks, agricultural implements and other heavy steel products, and needing a location with a plentiful labor market and excellent transportation facilities suitable for its vast requirements in the production of Crawler Tractors, the company opened its extensive tractor works plant in Chicago, at No. 2600 W. 31st Street. Since that time the company and the City of Chicago have enjoyed a fine relationship beneficial to all. The Company for many years has been a major employer in Chicago and has proved to be a good corporate neighbor and employer to those around it; and
>
> WHEREAS, The International Harvester Company, has recently announced its intention to close its vast Tractor Works at No. 2600 W. 31st Street. The result of such closing will be the end of a source of livelihood for many qualified workers and the dislocation of many families who have lived their lifetime in this neighborhood. Ultimately some 3500 jobs for inner city residents will be lost should International Harvester execute its move. Although the local union's contract covering separation pay and limited transfer rights provides some protection to the affected individuals, experience has shown that most employees are unable to secure employment in other company plans when such shutdowns occur; and
>
> WHEREAS, The Mayor and the City Council have always been concerned with and taken an active role in resolving employment problems within the City and the result has been the maintenance of the record of the City of Chicago as the greatest employment center in our country; now, therefore,
>
> *Be It Resolved by the Mayor and the members of the City Council,* That all City departments and agencies which may be concerned with this problem be alerted thereto and in cooperation with the company, be directed to seek solutions to those

situations prompting the International Harvester Company to move its plant and further, to seek to persuade the International Harvester Company to reconsider its decision and to remain a corporate citizen of the City of Chicago at its Tractor Works Plant.

> WHEREAS, On May 26, 1969, eight years and a day after President John F. Kennedy summoned us to the adventure in space, Colonel Thomas P. Stafford, USAF, Commander Eugene A. Cernan, USN, and Commander John W. Young, USN, completed a voyage that took them and all mankind to the threshold of interplanetary travel, and on the first step of discovery in this galaxy and beyond; and
>
> WHEREAS, In the triumph of their mission, Colonel Stafford and Commanders Cernan and Young demonstrated, as have the Astronaut pioneers before them, extraordinary personal bravery and magnificent technical competence. They carried out new experiments, which, in their successful completion, involved unexpected difficulties: the World will never forget the excitement and apprehension experienced when the Lunar Landing Module, whimsically named "Snoopy" left the command ship, the "Charley Brown" and started on its own separately adventurous excursion to a point approximately nine miles above the Moon's surface, rambling among peaks, craters and rocks about which scientists from Copernicus to the present could only dream about, and of which they could but create images in their minds' eye, also bringing to millions of fascinated observers the first color television photographs of the Moon; nor will the World soon forget those tense moments when mechanical difficulties developed in controlling the Lunar Landing Module as it began bucking and pitching near the bleak topography of the Moon, and sighed with relief when Cernan and Stafford put "Snoopy" back on its leash; and
>
> WHEREAS, The Astronauts' success represents the collective labor of thousands of workers in our space effort, and generations of painstaking experiment by men of other times and of many nations, and in a greater sense, represents the striving, the achieving and the impulse to perfection that characterizes the human race; and
>
> WHEREAS, Mindful of new plans for exploring the actual surface of the Moon, of the dangers inherently involved, of the sacrifices already made and those to be made, of the continuing extensions of our horizons so that yesterday's infinity is tomorrow's reachable goal, we are all moved to wonder, as did the Astronauts themselves, having selected the Biblical excerpt, "What is man, that Thou are mindful of him?"; now, therefore,
>
> *Be It Resolved,* That the Mayor and the City Council, in special meeting assembled, this 30th day of June, A. D. 1969, do hereby declare Monday, June 30, 1969, to be a day of commemoration of the flight of Apollo 10, and a day to honor Astronauts Stafford, Cernan and Young, and call upon the citizens of Chicago and all the people of Mid-America to join in paying tribute to our space explorers and to the achievement they represent; and
>
> *Be It Further Resolved,* That Monday, June 30, 1969, be and hereby is declared to be Astronauts Stafford, Cernan and Young Day in Chicago, and that the flag of the United States be flown on all public buildings, at all places of business, and from every home in the City of Chicago.

Alderman Keane (seconded by Alderman Bohling) moved to Adopt the foregoing resolution.

The motion *Prevailed,* unanimously.

In addressing the City Council, Alderman Keane mentioned that this was another great day in the history of Chicago in having the privilege of honoring the Astronauts. He spoke of how all hearts beat faster while watching the achievements on television, lifting off and returning to earth. He stated that it must have been a great temptation to step onto the moon and lauded their great accomplishments. He spoke of their religious beliefs that sustained them and how proud and grateful America and all of the world felt upon their safe return. He wanted them to know how terribly proud we all were to have them present in Chicago with the members of their families, and of the right to be proud of those families of the Astronauts.

Alderman Bohling spoke of his pride in being granted the privilege to second the resolution presented on behalf of the Astronauts. He too spoke of the pride everyone felt for the endeavors of such fine men in their conquest of space, stating that all Americans had felt a "lift", stating that in all humility he was proud he was an American and that Americans had made this flight possible, and he wanted the Astronauts to know that all Chicago joins in bidding them welcome.

### Presentation of Astronauts.

Honorable Richard J. Daley, Mayor, thereupon presented a great American, one whose example could be emulated by all, the leader of the Apollo 10 Astronauts, Colonel Stafford.

Colonel Stafford in addressing the City Council spoke of the overwhelming reception accorded them, stating that it was heart warming. He spoke of their great voyage stating that he and his fellow Astronauts were representatives of all America in making their flight. Nothing had stopped the program of exploring outer space and that subject only to budget limitations, nothing would stop their progress. He remarked that these flights would benefit all mankind. The Colonel thanked the Mayor and assembled guests for the honor offered them and that he was accepting that honor on behalf of all Americans.

The Mayor then introduced Commander Cernan as a former Chicagoan and also as a great Cub fan.

Commander Cernan stated that he was very glad to be back in Chicago. He spoke of their eight days in space as a tremendous adventure which he felt had been shared by everyone through the medium of television. He also spoke of having felt rewarded by the number of persons along the parade route waving American flags and cheering. It was his feeling that Americans wanted to display their pride of country, that they wanted to have something to cheer about and that he felt that the Astronauts had offered old and young the opportunity to display their patriotism. He spoke of their feat as "just three guys" representing all America. He thanked everyone for the opportunity to be present at the meeting and that he and his fellow astronauts very humbly accepted the tribute on behalf of his fellow team mates. In conclusion he asked that God bless everyone and hoped that Chicago would stay the greatest City in the Country.

Honorable Richard J. Daley, Mayor, then addressed the City Council stating that team work was the essence of the Astronauts' accomplishments. He commended the men for their discipline, their talent and their great courage. He thanked the Astronauts for honoring the City with their presence.

In conclusion the Mayor presented to each of the Astronauts a silver bowl as mementos of all Chicagoans.

### Presentation of Members of Families.

Honorable Richard J. Daley, Mayor, then proceeded to introduce the members of the Astronauts families to the City Council and guests. He introduced Mrs. Thomas Stafford accompanied by daughters Diane and Karen. Next he introduced Mrs. Eugene Cernan accompanied by daughter Tracy. He then introduced Mrs. Rose Cernan, mother of Commander Cernan. All received a warm reception. The Mayor concluded the introductions by inviting them all to return to Chicago for the World Series.

### Astronauts Present Gift to Mayor.

Commander Cernan then returned to the rostrum and presented the Mayor with a gift from the Astronauts. The gift consisted of a plaque on which was mounted the American flag, the State of Illinois flag and an Apollo 10 patch which he told the Mayor had been on their flight to the Moon.

The Mayor expressed his extreme pleasure and assured the Astronauts that the plaque would be prominently displayed in the Mayor's office.

### Presentation of Mrs. Richard J. Daley.

The Mayor then presented Mrs. Richard J. Daley, who graciously acknowledged the Mayor's introduction. She too was warmly applauded.

### Benediction.

Chaplain P. C. Riley, U. S. Navy, offered a prayer that God would always keep the Astronauts and everyone in his care, stating that once again through the Astronauts we had been given the opportunity to witness the beauty and mystery of creation.

*Court Decisions.*

Also communications from the Law Department addressed to the City Council, signed by Edmund Hatfield and Richard F. Friedman, Assistants Corporation Counsel, and Marvin E. Aspen, Head of Appeals and Review Division, transmitting the following decisions, which were *Placed on File:*

> *Guaranty Bank and Trust Company, as Trustee, et al., Plaintiffs-Appellants vs City of Chicago, Defendant-Appellee. In the Illinois Appellate Court, First District, No. 53207.* This appeal from the trial court upholding the constitutionality of the Chicago Zoning Ordinance was based on the efforts of the plaintiffs to rezone the property in question to permit construction of an automobile service station even though the subject-property is included in the Southeast Englewood Conservation Project, which contemplates continued use for low density residential purposes. Since the creation of an Urban Renewal Area is specifically meant to preclude slum, blight and decay the court held that to invalidate the B3 zoning classification would be to impair status of the neighborhood, therefore the judgment of the Circuit Court is accordingly affirmed.
>
> *Roland A. Olson, Plaintiff-Appellee, vs City of Chicago, a Municipal Corporation, Defendant-Appellant. In the Illinois Appellate Court, No. 52975.* This is an appeal by the City of Chicago from a declaratory judgment of the Circuit Court of Cook County voiding and holding unconstitutional the R1 zoning classification of the instant property. The plaintiff sought to construct a series of townhouses on the subject-property but was prevented from so doing because of the R1 zoning classification. The Appellate Court held this invalid as to the subject-property because other property in the vicinity did not conform to the area's single-family residence pattern, that the property value declined when zoned R1 and because there was no showing that the proposed use would be detrimental to the surrounding properties. Judgment of the Circuit Court is hereby affirmed.

PART II—SPECIAL CONDITIONS

1. The first paragraph of Article IX, General Conditions, reading as follows:

> "Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public."

shall be and is hereby changed to read as follows:

> Landlord hereby grants to Tenant, subject to a similar right of other tenants in the joint space, the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

2. *Premises*

Landlord, for and in consideration of the covenants and agreements herein mentioned, to be kept and performed by both parties hereto, does hereby allow Tenant to use, in common with other commercial aircraft operators whom Landlord may from time to time allow to use the same space for the same purpose, the space located in the Terminal Building at Merrill C. Meigs Field which is outlined in red on Exhibit "A" attached hereto and by this reference made a part hereof.

3. *Purpose*

Tenant agrees that the premises herein demised are to be used solely in connection with its business of air transportation.

4. *Term*

The term of this agreement shall be for a period of one (1) year commencing on ..........................., the date of approval of ordinance by the City Council of the City of Chicago. It is understood and agreed that notwithstanding the above term either party may cancel this agreement on thirty (30) days notice to the other party in writing of its election so to do.

5. *Rental*

Tenant shall pay Landlord, at the office of the Comptroller, as rental for such use and occupancy, the sum of seventy-five and no/100 dollars ($75.00) per month, payable in advance on the first day of each month during the term of this agreement.

Tenant shall further pay Landlord, at the office of the Comptroller, as rental for such use and occupancy for each month, the sum of two hundred fifty and no/100 dollars ($250.00) per month, payable in advance on the first day of such month during the term of this agreement. Payment due in landing fees for operation at Merrill C. Meigs Field during such month, as required hereinafter pursuant to Section 7, may be offset against said further rental of $250.00 per month, but the amount of any Meigs landing fees incurred by Tenant exceeding said further rental for the month shall be paid as prescribed in Section 7.

If any rental hereunder commences after the first day or terminates prior to the last day of any month, such rental for such month shall be determined on a pro-rata basis according to the number of days of such month involved.
